Sir Jeremy Lloyd and author Frances Osbourne

Emily Todhunter and Kathryn Ireland with Orlando Harris

Goldsmith standard: Ben and Zac's wives Kate and Sheherazade

FOLLOWING THE COUNTRY CODE

Guests flocked to the rural-themed party hosted by interior designer Emily Todhunter and LA-based celebrity decorator Kathryn Ireland to launch Emily's range of organic linen fabric and Kathryn's style bible *Classic Country*. Bales of hay, wildflowers and leaves turned antiques shop Blanchards on Pimlico Road into a rustic haven. Among those getting a taste of the countryside were Shona McKinney, James Holland-Hibbert and Frances Osbourne.
