

Todhunter Earle

-

todhunterearle.com

In business for nearly 25 years, Emily Todhunter and Kate Earle continue to come up with stylish, meticulously put-together spaces. Working on projects from Manhattan's Upper East Side to The Little Boltons, SW10, the studio is known for its smart take on refined English design, with delicate colour and pattern combinations, and well-sourced antiques, which places it at the forefront of the British design scene.
